

# GROOMING PRICE & INFO SHEET

## Prerequisites for Grooming

- Must be current on rabies, DPP & 6 month bordetella (bordetella vaccines available for \$12)
- Must fill out & sign Groom Request Form & Vaccination Release Form

## Grooming Info & Pricing

Appointments are strongly recommended, but walk-ins are accepted if all prerequisites are met. Grooms will be done on a first come, first served basis and you are expected to pick up your dog as soon as he or she is finished being groomed. Your dog can stay for daycare if your schedule does not permit pick-up as soon as the groom is finished; daycare charges will be applied on an hourly basis 60 minutes from calling for pick-up. If your dog does not meet daycare prerequisites, then he/she will be kenneled until pick-up. All kenneled dogs receive potty breaks and access to fresh water. The average time for a groom is two hours for small dogs and four hours for large dogs.

## Spa Packages

All spa packages include a nail trim and file, tooth brushing, ear cleaning, tear stain removal, brushing, bath, dry and trim/cut with minimal scissoring. Prices are estimates and will be adjusted depending on the condition of your dog's coat.

## Spa Packages
