Daycare & Overnight Board Info & Pricing

Daycare is open Monday-Friday 7am-7:00pm; open 'till 8 pm Wednesday. We are closed on all Federal Holidays. Daycare includes outside potty breaks, walks, treats, food, fresh water and ALL DAY DOG PLAY!

Overnight board is an extension of our daycare service, offering quality care in non-traditional boarding environment. Overnight board includes daycare and overnight boarding with a staff member in their home. All of our staff members have a dog and cat friendly home and are insured, bonded and educated in pet care. There is no special price for overnight boarding, as it is an extension of our daycare service. This service is \$2.50/hour and 24 hours of care is \$60.00. This service is limited to one dog clients. If you have more than one dog, private pet sitting is available at a competitive rate.

Private Pet Sitting & House Calls

Private Pet Sitting is similar to boarding, except that instead of taking your dog to be boarded elsewhere, a pet sitter comes to your home to take care of your pet. This service is good for dogs who do not meet our prerequisites for daycare or for homes with multiple dogs or pets. Additional charges may apply if you have more than two dogs. A free consultation is available to get you and your pet(s) set up for this service. Private pet sitting is available for overnight care or for 30 or 60 minute house calls. Pricing for all house calls includes the pet sitters travel time. Because we serve all of metro Louisville, a 60 minute minimum applies to areas outside of the 40217/40204 zip codes.
